have been sanctioned to be held as permanent advances by the Union panchayats for eg in the case of Chittaldrug Rs 300 have been allotted for the Unions then existing. The sum of Rs 300 has been ~~allotted~~ distributed among the several Unions as per list received from the Comptroller and recorded in G.P. No 1183-4/KB 25-08-2 dated 2nd August 1906.

Q

So whether the total allotment for the district has to be exceeded or the total allotment assigned has to be redistributed among the Taluq Boards & Unions the sanction of Government has to be obtained.

Every time the DB authorizes a newly formed Union to hold a permanent advance, the sanction of Government has to be obtained. To avoid this inconvenience may the Comptroller be authorized to accept any permanent advance ~~to~~ not exceeding Rs 50 which the District Board may allow as to an Union which may come into existence hereafter.

Sir,

In submitting herewith Copy of docket No 5995 dated 20th instant in regard to the amounts of Contingent Grant to be granted by the District Board to meet charges of Contingent nature to newly-sanctioned Unions in this District, I have the honor to state that the Taluk Boards of Chittoor and Tirupattur applied to this office for the grant of separate Contingent to the newly-sanctioned Unions of Kurumpala Kothakota and Vellakal respectively.

2. In addition, an interest of Rs 50/- was sanctioned by the District Board to each of the said Unions according to section 108 of the Local Boards Rules. To this, the Comptroller takes objection and decides that sanction of Government should be obtained. — Section 108 of the Local Board Rules, does not require the Boards to apply for such sanction. I beg to be informed

informed whether, in spite of the clear provisions contained in the said section, it is still necessary for the District Board to apply for Government sanction in each case when such imprests are to be granted.

I have the honor to be

Sir,

Your most obedient Servant
